Fred Norris
Quality Manager

Subject: Supplier Approval for Re-lubrication of Aircraft Control Bearings for RBC Aircraft Products Inc(API).

Based on an On-Site Audit of National Precision Bearings (NPB) conducted on October 10, 2012 compliance with accredited certification of ISO 9001:2008 and AS9100 Revision C (Certification# 11195 expiration date 9/15/2018), and a review of supplied procedures NPB has been approved and added to the RBC-API's approved supplier list for the process of "Re-Lubrication of Airframe Control Bearings", effective October 29, 2012.

This approval will remain in effect through the term below based on NPB's continued compliance to the ISO/AS requirements and by maintaining the status as an approved RBC-API Aerospace Distributor.

Expiration of this approval Is September 15th 2018
